Amelia - I understand that EPA requests a response on the financial assurance text by Friday of this week. My clients will attempt to accommodate EPA's request, but EPA has provided very little time to digest the EPA comments on the AOC. I will touch base with you on Friday.

Subject: Rico Proposed AOC, Work Plan, Figures

All,

Attached please find a cover letter, AOC, Work Plan, and Figures, all of which were sent to Bill Duffy today. Please feel free to contact me with any questions.

Take care,

Amelia
